ON THE ROAD SERIES

As word of 77 WEST MAIN has gotten around the folk music circuit, we've started to get booking requests from national touring musicians. As part of our **ON THE ROAD SERIES**, we've started booking some of these artists. Our mission is to support these traveling musicians and to introduce our audience to talented and veteran folk musicians who are passing thru Western New York and are able to add 77 WEST MAIN to their schedule. Some of these artists will be well known to our local and regional attendees, but some will be passing through for the first time. Upcoming **ON THE ROAD SERIES** performers include **DANA COOPER, BERNICE LEWIS** and **ANNE HILLS**.
