

MOONLIGHT ON THE HIGHWAY

Words & Music by Joe LaMay & Robbie Wedeen

Unreleased

G C G C G
There's moonlight on the highway - as far as I can see
Am C G C G
This road goes on forever - callin' out for me
Am C G C G
I don't know - when I'll be comin' home again
Am C G C G
I don't know - will this highway ever end

There's moonlight on the highway - been out here way too long
Nobody ever told me - the road would be so long
I don't know - when I'll be comin' home again
I don't know - will this highway ever end

Em C
There's too much time and distance
G C G

Keepin' us apart

Em C
I gave you all my lovin'

D
You would not take my heart

There's moonlight on the highway - just like we used to know
When we were on this road together - but that was long ago
I don't know - when I'll be comin' home again
I don't know - will this highway ever end

There's moonlight on the highway - as far as I can see
And no one in the distance - waiting there for me
I don't know - when I'll be comin' home again
I don't know - will this highway ever end

There's moonlight on the highway
