

# WRITERS BLUES

Words & Music by Joe LaMay

*Unreleased*

Sometimes I'm right  
Sometimes I'm wrong  
I tried to write  
The perfect song  
Used every trick in the book I ever had  
Never wrote so good  
Till I wrote so bad

Sometimes I'm up  
Sometimes I'm down  
I tried to find  
The perfect sound  
Used every chord this ole guitar ever had  
Never played so good  
Till I played so bad

*Music ringin' in my ear  
It's all I really need to hear  
Your voice a'risin' so high above  
That's what they mean when they call it love*

Sometimes I win  
Sometimes I lose  
I musta had  
The writers blues  
Used all the words that would make you feel so sad  
Never sang so good  
Till I sang so bad

Sometimes I'm right  
Sometimes I'm wrong  
I tried to write  
The perfect song  
Used every trick in the book I ever had  
Never wrote so good  
Till I wrote so bad
