

# Make Them Chickens Fly

Words & Music by Joe LaMay

While Grampa he's a 'snoozin'  
Too much pecan pie  
Let's take them chickens to the loft  
And teach them how to fly  
*Fly, fly, fly girl*  
*Make them chickens fly*  
*Toss them chickens out the loft*  
*And teach them how to fly*

While Grandma's in the outhouse  
Too much pecan pie  
Let's take them chickens to the loft  
And teach them how to fly  
*Fly, fly, fly girl*  
*Make them chickens fly*  
*Toss them chickens out the loft*  
*And teach them how to fly*

Here comes Gram and Grampa  
No more pecan pie  
They heard them chickens squawkin'  
I think it's time to fly  
*Fly, fly, fly girl*  
*Make them chickens fly*  
*Toss them chickens out the loft*  
*And teach them how to fly*

You shoulda seen ole grampa  
He very nearly died  
When the pullets was a flyin'  
The day them chickens flied  
*Fly, fly, fly girl*  
*Make them chickens fly*  
*Toss them chickens out the loft*  
*And teach them how to fly*
