

Sandy Beach

Words & Music by Joe LaMay

Come down to the sandy beach
Sandy beach with me
Tell me when at last we reach
Last we reach the sea

Seagulls and the fisher's dogs
Fisher's dogs run free
Rest your head upon the logs
Upon the logs we see

Listen to the banjo man
Banjo man so old
Tell us of the times he ran
Times he ran so bold

Sun will shine and the snow will fall
Snow will fall today
Warm breeze from the mountain wall
Mountain wall will stay

Evening when the sun goes down
Sun goes down 'till dawn
Build a fire to sleep around
Sleep around so warm

These words I sing to you my friend
You my friend so dear
Prove to you that in the end
In the end I'm near
