

DARLIN' SUSIE

Words & Music by Joe LaMay

Unreleased

I heard the rooster crowin'
Opened up my blinds
I saw my Susie runnin'
Down the road to Caroline
She's on the run
To Caroline
My darlin' Susie
That gal of mine

Ran down to the depot
I tell you I was flyin'
Heard that whistle blowin'
All the way to Caroline
She's on the run
To Caroline
My darlin' Susie
That gal of mine

Early in the mornin'
I think I'm doin' fine
Till I think about my Susie
Down the road in Caroline
She's on the run
To Caroline
My darlin' Susie
That gal of mine

Now if you've seen my Susie
You know that I'm not lyin'
That's why I'm a'packin'
My bags for Caroline
She's on the run
To Caroline
My darlin' Susie
That gal of mine
