While Grampa he's a'snoozin'
Too much pecan pie
Let's take them chickens to the loft
And teach them how to fly

*Fly, fly, fly girl
Make them chickens fly
Toss them chickens out the loft
And teach them how to fly*

While Grandma's in the outhouse
Too much pecan pie
Let's take them chickens to the loft
And teach them how to fly

Chorus

Here comes Gram and Grampa
No more pecan pie
They heard them chickens squawkin'
I think it's time to fly

Chorus

You shoulda seen ole grampa
He very nearly died
When the pullets was a flyin'
The day them chickens flied
