

WHEN I'M WITH YOU

Words & Music by Joe LaMay

F **Fm** **C**
Friends like you - they don't come easy

F **Fm** **C**
Too many times I've been let down

F **Fm** **C**
But you don't have to try to please me

D7 **G** **G7**
'Cause I'm so free when you're around

F **G** **C**
I like the way you say you love me

F **G** **C**
And let me know what's on your mind

F **G** **C** **Em** **Am**
When I'm with you there is no other quite so true

F **G**
It's gonna last a long, long time

And I don't ever have to worry - when I'm looking in your eyes
We've lots of time - there is no hurry - let's take it one step at a time

Chorus

We're moving in the same direction - that was so clear right from the start
The way you're showing me affection - I cannot help but lose my heart

Chorus

We're moving in the same direction - that was so clear right from the start
The way you're showing me affection - I cannot help but lose my heart

Chorus
